

Please Help Ensure

NO CHILD GOES COLD THIS WINTER

November 2008

Dear Friend

Can you help us once again make sure that no child faces the cold of winter without the warmth of a snowsuit?

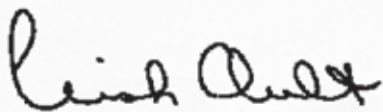

The lineups have already begun at The Snowsuit Fund Depot, as families in need turn to the Fund to help dress their children for the cold winter months just ahead. The sad fact is there are many low-income families in our city for whom buying a new snowsuit could mean making significant sacrifices on other essentials. We expect upwards of 15,000 children to qualify for snowsuits this year.

Given these uncertain economic times, your help is critical. A single \$35 donation is all it takes to provide a quality snowsuit for a child in need – and provide a little dignity in the process. The more you can contribute, the more children we can help.

Please use the donation form below and enclosed envelope, or you can call The Snowsuit Fund directly at the number below.

Thank you for sharing your warmth with a child.

Sincerely

Trish Ault
